Please note the Indian Pacific arrives in to Sydney Central station at 15.14. We will then need to get the train to the airport quite promptly.					

For those travelling to and from Toowoomba I have chartered a private transfer service with the cost to be shared by those using the services. The cost is \$100 pp return. The meeting point for the charter will be a Highfields (3 Eclipse Court), the Toowoomba Visitors information Centre or points along the way to the airport to be negotiated.

Return airport transfer (Brisbane to Toowoomba) is dependent on numbers so please let me know if you would like to use this service if it is possible.
